The Oklahoma Red Angus Sale committee will be managing the sale and because it is our first ever Oklahoma Red Angus Sale it is very important that we assemble the very highest quality consignments that represent the breed. The consignments can consist of (REGISTERED) cow/calf pairs, bred heifers, bred cows (no older than 7 yrs), open heifers, bulls (24 months or younger), embryos, pregnancies, or a flush. Sale consignors will be required to send a photo of each animal consigned. The sale committee will inspect photos to determine whether the animal is eligible for the sale. Nominated cattle will be expected to be clipped and at least a body condition score 6 by sale day.

Any live consignments potentially carrying any genetic defects must be blood tested prior to nomination, as well as any pregnancies, embryos or flushes must be clean by pedigree to be sold in this sale. For any questions regarding this, please contact Cody McMurphy at 405-880-4587.

Photos will be incorporated into the sale catalog. Consignors will be responsible for taking their own photos for the sale catalog. Only high quality photos will make the sale catalog. The deadline for sale cattle entries is September 10th, 2010. We are only accepting 60-65 total registered lots for the sale. Chain Ranch has graciously allowed us to use their facilities in return they are going to supply some Commercial Red Angus Females for sale. They will supply the only commercial females for sale.

After reviewing several consignment sales across the nation it has been approved by our sale committee to keep the costs at a minimum for the consignor. The consignment fee will be \$75 per lot. Each consignor agrees to pay a 9% commission based on the final ring bid on each lot. This fee is due regardless of the sale or PO and is in addition to the \$75 consignment fee.

Registration papers for each lot must be provided on Sale day or before. Animals will not be sold unless original papers are in place. Each animal will be ear tagged for the sale. Ear tags will be mailed to all consignors.

If there are questions concerning the sale please contact one of the sale committee members.
